Learn how the macro vegetarian trend is driving non-animal consumption in the softgels and two-piece hardshell encapsulation industry.

As China's leading manufacturer of pharmaceutical excipients and APIs, Er-Kang launched the new products:

- StarchCaps two-piece starch hardshell capsules
- StarchGel starch material for softgels

- Novel patented technology to replace gelatin
- 100% vegetarian
- Certified Kosher / Halal / Non-GMO for both pharmaceutical and dietary supplements
- Over 50 successful production trials completed on 5 continents to date
- Free of corn and carageenan

Please visit us at Engredea March 10-12 at Booth# 357

Let us explain how you can take advantage of this emerging technology and help you be first to market with Non-GMO products at dramatically lower cost!

Best Regards,
Brian Wang
